International Training Course @ Romania

## Seed of chANge

A training course on the sources and activation of actors of change

Tools and ideas about participation - actors - attitudes - opportunities - resources - interdependency - creativity - active citizenship - communication - life management - societal engineering - ...

Think about it ...question ... watch ... listen ... open the links ... find out what lies under the question marks ...

? ? ? ? ? ? ? ? ? ? ? ? ? ...

We'll work together with 28 people in creative ways to find out how we are active agents of change and what participation can mean. We'll explore together the potential we have as human beings, let's see what stops us from BEING THE CHANGE we want to see and discover together what can move us and others into ACTION.

Are you willing? Do you want to see what you're capable of and what impact you can have?

Join us, and let's get together to discovering...
